Did you know?

Omega-3 fatty acids, including EPA, DHA, and ALA, are essential for your pet's health, but their bodies can't produce them naturally. Ocu-GLO® Vegan provides all three in one complete formula.

This powerful proprietary blend includes:

GRAPE SEED EXTRACT

Powerful antioxidant, rich in proanthocyanidins

LUTEIN

Carotenoid antioxidant providing "sunscreen" for eyes and skin

OMEGA-3 FATTY ACIDS

Essential fatty acids for eye health

EPA sourced from Nannochloropsis algae

DHA from Schizochytrium algae

ALA from flaxseed*

Distributed by

an-vision
